in the Years 1770-1827

PART VI

CRITICISM, BIOGRAPHY, AND SCHOLARLY STUDIES

DIVISION II

Blake's Circle

Appendix

Blake Records Second Edition (2004): **Addenda**

Note: Collections of essays on Blake are listed under the names of the editors; issues of periodicals devoted extensively to him are listed under the titles; and reviews are listed under the book reviewed.

The illustrations printed in *Blake* are omitted because they would make a portly document dangerously obese.
