

SPA198H: A Brief History of Love in the Western World

Journal Articles

[MLA International Bibliography](#)

The index is compiled by the Modern Language Association (MLA), an organization dedicated to the study and teaching of language and literature.

It includes book chapters and journal articles and other sources related to world literature. Publications on literary theory and criticism, dramatic arts (film, radio, television, theatre), and folklore can also be found in the index.

[JSTOR](#)

A digital library of academic content in many disciplines. The collections include top peer-reviewed scholarly journals as well as respected literary journals, academic books, and primary sources.

[Gender Studies Database](#)

Scholarly and popular publications, including journals, books, conference papers and theses. Subjects include gender inequality, masculinity, post-feminism and gender identity, among others.

[Iter: Gateway to the Middle Ages and Renaissance](#)

An extensive bibliography of secondary-source materials about the Middle Ages and the Renaissance.

[Philosopher's Index](#)

An extensive bibliography of secondary-source materials about the Middle Ages and the Renaissance.

[ATLA Religion Database with ATLASerials](#)

A full-text collection of major religion and theology journals.

[Film & Television Literature Index](#)

Includes full-text film and television journals, international periodicals, monographs, yearbooks, conference papers and other scholarly and popular sources in film and television studies.

[Emotion Review](#)

A peer reviewed, quarterly published journal in association with the International Society for Research on Emotion (ISRE).

It includes theoretical, conceptual and review papers to enhance scientific understanding of emotion theory and research from various disciplinary perspectives, including sociology, history, philosophy, literature, and other areas.

Book Reviews

In addition to the indexes and databases listed below, most article databases and the [library catalogue](#) allow you to limit your search to book reviews.

[Book Review Index](#)

A comprehensive collection of book reviews published in scholarly, popular, and professional periodicals, including reviews of titles published in literature, history, philosophy, film studies, and other disciplines.

[International Bibliography of Book Reviews](#)

An interdisciplinary index to book reviews published in scholarly journals, primarily in the social sciences and the humanities.

Additional Resources

Major research databases are arranged alphabetically by discipline on the [University of Toronto Libraries](#) web site, including:

- [Art](#)
- [Cinema and Film](#)
- [Classical Studies](#)
- [Literature](#)
- [Medieval Studies](#)
- [Philosophy](#)
- [Religion](#)
- [Women and Gender Studies](#).
